COMMITMENT TO SHARING & HEARING OPINIONS

Sharing is Caring

Our Year 2B class assembly theme was Sharing and Caring. We need to always remember that someone may be less fortunate than us. We need to share within our homes, at school and the community level as a humanitarian attribute to show love.

YOUTH DIALOGUE

GISU is honoured to host an extensive symposium about the United Nations Sustainable Development Goals this year in collaboration with the Duke of Edinburgh's International Award, scheduled for Tuesday, 27 August 2019 from 9:00 am to 3:00 pm. It advocates for the youth to participate in the

attainment of these goals laying emphasis on education. We expect over 120 delegates in school but a few selected participants from upper secondary will take part in the presentations. Lessons will continue as usual for the rest of the school.

INDEPENDENCE DAY MESSAGE 15 AUGUST, (Republic of Congo, India)
